

2nd December 2009

Dear Karen

On behalf of the Board and everyone at the McGrath Foundation we would like to personally thank you and all the Clubs involved in the 'Pink Bowls Day' which raised an astonishing \$150,000 for the Foundation.

The money raised will help the Foundation continue Jane's legacy which is promoting breast awareness among young women as Jane was only 31 years old when she was first diagnosed and enabling the placement of specialist Breast Care Nurses across the country, particularly in rural and regional areas to support women and men diagnosed with breast cancer and their families

I've seen some of the photographs you've sent to the Foundation and it looks as though everyone had a fantastic time!

Once again a big heartfelt thank you Karen to everyone involved and we hope we'll get the opportunity to work with your organisation again in the future

Kind regards

Tracy Bevan
Executive Director
